

## **NOTICE no. 27/2022 OF THE INDICES MANAGEMENT SECRETARIAT**

The Indices Management Secretariat communicates changes in the governance and methodology of the Latibex Index family, effective as from January 1<sup>st</sup>, 2023.

The indices FTSE Latibex All Share, FTSE Latibex Top y FTSE Latibex Brasil will be renamed into Latibex AS, Latibex Top and Latibex Brasil, respectively.

The document [Technical Regulations for the Composition and Calculation of Latibex Indices](#), with no substantial changes with respect to the previous methodology regarding calculation and elaboration of the indices, is available at the website.

The aforementioned modifications to the regulations, related to governance and methodology, do not have the consideration of substantial changes to the methodology.

This information is hereby placed in the public domain for the appropriate purposes.

Madrid, December 30th, 2022
