 Opinion ⁽¹⁾: In line

 Impact ⁽¹⁾: We will maintain our estimates

José Miguel Cabrera van Grieken – jose.cabrera@institutodeanalistas.com

+34 915 904 226

Compañía Española de Viviendas en Alquiler, Cevasa (CEV), Cevasa specialises in the development of buildings for long-term renting, mainly in the residential segment in Catalonia, principally in the city of Barcelona and its metropolitan area (where it is the main private property owner).

2023 earnings: margin expansion and a still-low risk profile

DOUBLE-DIGIT GROWTH IN RENTAL INCOME TO EUR 19.3MN (+5.8% VS 2022)... in line with our estimates. Revenue growth was driven by two factors: i) higher occupancy in offices and commercial premises (c.2p.p.; residential at highs of c.97%) and ii) rent increases. By segment, residential delivered growth of 4.1%, offices of 17.6% and commercial of 8.8%. Overall occupancy of the portfolio reached 96.4% (+0.3p.p. vs 2022). With GAV largely unchanged (EUR 546.3Mn; +1.9% vs 2022).

...ALONGSIDE MARGIN IMPROVEMENT (REC. EBITDA MARGIN: 69.1%). CEV adjusted the amount of chargeable expenses to tenants, resulting in a 3.6p.p. expansion in gross margin to 95.4%. This, coupled with lower overhead as a percentage of sales, pushed up the recurring EBITDA margin to 69.1% (+4.4p.p. vs 2022). Recurring EBITDA amounted to EUR 14.8Mn (+11.7% vs 2022; +7% vs our estimates).

WITH AN (EXPECTED) DECLINE IN THE BOTTOM LINE (EUR 10.9MN; -62% VS 2022). Net profit was lower for three reasons: i) smaller change in real estate values (EUR 0.5Mn vs EUR 15.5Mn in 2022), ii) halt to activity in the development business, and iii) higher finance costs.

CEV'S LEVERAGE REMAINED CONSERVATIVE (LTV 2023: 10.8%), WHILE IT RAISED THE DIVIDEND. Net debt was steady at EUR 49.4Mn (-0.4% vs 2022), leaving leverage (LTV) at 10.8% (well below the industry average: c.40%) and highlighting the company's defensive profile. CEV raised the dividend to EUR 0.25/share (+25.0% vs 2022; EUR 5.8Mn). Dividend yield 2023 of 4.0%.

OUR ESTIMATES ARE UNCHANGED. We are revising up slightly our estimate for EBITDA margin (to c. 68% vs 65% previously; <5% change in recurring EBITDA). The property management business enjoys strong visibility. For 2024e and 2025e, we expect to see a company with EBITDA of EUR 17.1Mn and EUR 18.5Mn as the development business starts back up with the delivery of the L'Hospitalet and Montgat buildings.

HIGH VISIBILITY, LOW RISK AND DISCOUNT TO NAV OF 61.5%. The healthy momentum of the development business was confirmed in 2023. Moreover, the new housing law will hardly affect the company at all (further illustrating CEV's low risk profile). The (medium-term) business catalysts are the deliveries of the two developments (L'Hospitalet and Montgat) and the HMB profit (4,500 affordable homes in Barcelona). The share price is down 3.8% over the past 12 months (-18% vs sector), leaving CEV trading at a 61.5% discount to NAV (showing its value; FCF yield 2024e: 7.7%).

Note on the Housing Law (Law 12/2023 of 24 May on the Right to Housing)

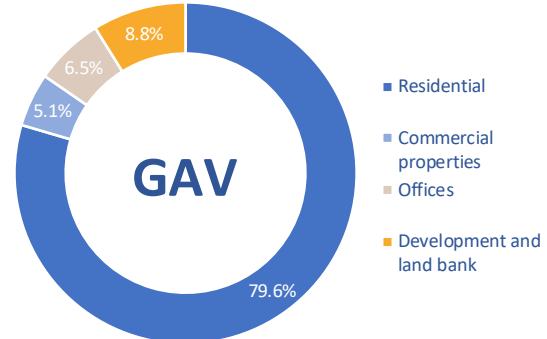

According to Spain's new Housing Law (Law 12/2023 of 24 May on the Right to Housing), the rents applied to homes owned by large landlords (> 5 housing developments) located in areas classified as in a stressed residential market in new leases will be the lower of the last rent of the rental lease subject to the Urban Lease Law (LAU in Spanish) after applying the annual rental revision clause of the previous lease and the higher of the reference range published in the state system of housing rental price indices. For CEV, the impact of the new law will be limited, since only 34% of its leased homes are subject to the LAU, whereas the remaining 66% are subject to subsidised housing leases (VPO) or below-market rents under the old 'Renta Antigua' regime.

The company in 8 charts

Demand for rented housing has continued to grow (since 2008) and Spain is still a long way from European average levels

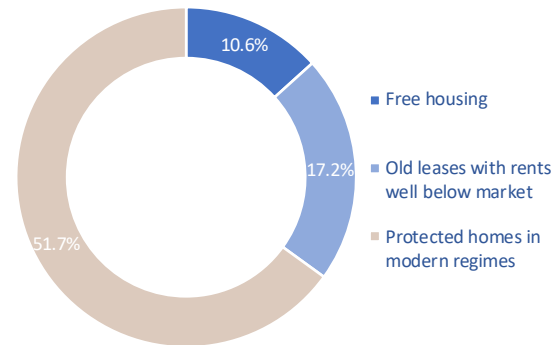

Cevasa (CEV) has a unique exposure to rented housing (c. 80% of GAV 2023)...

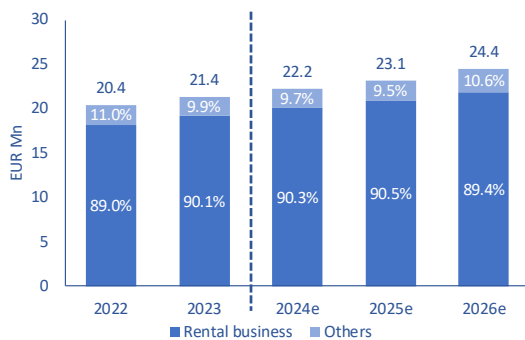

... with a portfolio concentrated in Catalonia (mainly Barcelona and its metropolitan area)

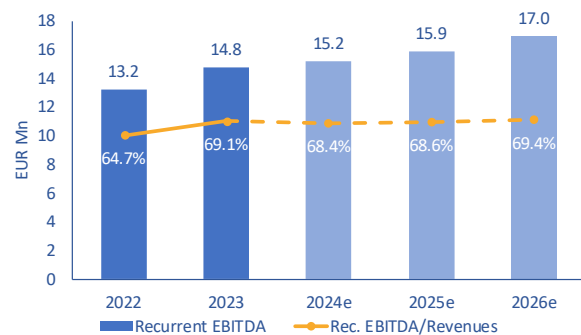

And the particularity of having invested a large percentage in state sponsored housing

Until 2026e visibility is significant, for revenue (CAGR 23-26e: +4.6%)...

... and margins (Rec EBITDA: CAGR 23-26e: +4.7%)

Despite the rebound in investment, leverage will remain at very prudent levels (LTV < 20%)

Trading at a discount of c. 60% to its EPRA NRV

IMPORTANT LEGAL INFORMATION REGARDING THIS REPORT

LIGHTHOUSE

Lighthouse is a project of IEF Servicios de Análisis S.L.U. Lighthouse is a research project funded by Bolsas y Mercados Españoles S.A. Lighthouse aims to improve the research coverage of the "orphan stocks" of the Spanish market: those which lack real and continuous research coverage. Lighthouse reports will not include valuation and target price. Lighthouse does not seek to provide investment advice to any natural or legal person. For this reason, Lighthouse will not provide a valuation, target price or investment recommendation for any of the securities analysed.

IEAF Servicios de Análisis S.L.U. is a Spanish company whose corporate purpose is:

- 1) To provide information and financial analysis regarding securities issued by any class of legal person traded or not on official secondary markets, and especially (but not exclusively) those securities which are not the object of the recurrent provision of information and analysis by financial analysts who participate in the markets.
- 2) To publicise and update the aforementioned financial reports and analysis, in addition to the monitoring and following of the securities on which the information and analysis is provided.
- 3) To prepare studies and projects aimed at proposing and implementing measures to improve the information and financial analysis of securities traded on official secondary markets.

IEAF Servicios de Análisis S.L.U. is a company whose sole shareholder is the Instituto Español de Analistas Financieros, a professional, not for profit association.

DISCLAIMER

The Instituto Español de Analistas Financieros hereby certifies that the analyst of IEF Servicios de Análisis S.L.U. whose name figures as the author of this report, expresses views that reflect their personal and independent opinion of the company analysed without these implying, either directly or indirectly, a personalised recommendation of the company analysed for purposes of providing investment advice. This report is based on the preparation of detailed financial projections from information available to the public and following traditional fundamental research methodology (i.e. it is not a technical or quantitative analysis report). For the analysis methodology used in the preparation of this report, please contact the analyst directly; contact details are included on the front page of this report.

The report includes basic information regarding the main parameters to be used by an investor when making their own valuation (whether by discounted cash flows or multiples). These parameters are the personal opinion or estimate of the analyst. The person receiving this report should use their own judgement when using these parameters and should consider them as another element in their decision-making process in respect of investment. These parameters do not represent a personalised investment recommendation.

Rules governing confidentiality and conflicts of interest

None of the following rules governing confidentiality and conflicts of interest (12) is applicable to this report:

1. This report is non-independent research as it has been commissioned by the company analysed (issuer).
2. In the last 12 months, the Instituto Español de Analistas Financieros or its subsidiary, IEF Servicios de Análisis S.L.U., has had Investment Banking mandates or has managed or co-managed a public offering of the securities of the issuer, or has received compensation from said issuer for Investment Banking services, that exclude brokerage services for prepaid fees.
3. In the next 6 months, the Instituto Español de Analistas Financieros or its subsidiary, IEF Servicios de Análisis S.L.U., expects to receive or intends to obtain compensation for Investment Banking services provided to this company that exclude brokerage services for prepaid fees.
4. The Investment Analyst or a member of the Research Department or a member of their household has a long position in the shares or derivatives of the corresponding issuer.
5. The Investment Analyst or a member of the Research Department or a member of their household has a short position in the shares or derivatives of the corresponding issuer.
6. At the date of publication, the Instituto Español de Analistas Financieros or its subsidiary, IEF Servicios de Análisis S.L.U. held a long position of over 0.5% of the issuer's capital.
7. At the date of publication, the Instituto Español de Analistas Financieros or its subsidiary, IEF Servicios de Análisis S.L.U. held a short position of over 0.5% of the issuer's capital.
8. At the end of the month immediately prior to the publication of this report, or of the previous month if the report is published in the ten days following the end of the month, the company analysed (the issuer) or any of its subsidiaries held 5% or more of any class of equity security of the Instituto Español de Analistas Financieros or its subsidiary, IEF Servicios de Análisis S.L.U.
9. A senior director or officer of the Instituto Español de Analistas Financieros or its subsidiary, IEF Servicios de Análisis S.L.U., or a member of their department is a director, officer, advisor or member of the Board of Directors of the issuer and/or one of its subsidiaries.
10. The Instituto Español de Analistas Financieros or its subsidiary, IEF Servicios de Análisis S.L.U., acts as broker for the Issuer for the corresponding prepaid fees.
11. The contents of this report related to the financial analysis, financial projections, valuation, investment summary and opinion of the analyst have been reviewed by the issuer prior to its publication.
12. The issuer has made changes to the contents of this report prior to its distribution.

The Investment Analysts who have prepared this Investment Analysis are employees of IEF Servicios de Análisis S.L.U. These analysts have received (or will receive) compensation according to the general earnings of IEF Servicios de Análisis S.L.U. To obtain a copy of the Code of Conduct of IEF Servicios de Análisis S.L.U. (in respect of the Management of Conflicts of Interest in the research department), please use the e-mail address secretaria@institutodeanalistas.com or consult the contents of this Code at <https://institutodeanalistas.com>.

IEAF Servicios de Análisis S.L.U. is compensated by Bolsas y Mercados Españoles, S.A. for the preparation of this report. This report should be considered as just another element in the taking of investment decisions.

All the opinions expressed are subject to change without prior warning. This document does not take into account the specific investment objectives, financial position, risk profile or other specific aspects of the person who receives this document, and accordingly they should exercise their own judgement in this respect. Neither the Instituto Español de Analistas Financieros nor its subsidiary, IEF Servicios de Análisis S.L.U., assumes any responsibility for direct or

indirect losses arising from the use of the published research, except in the event of negligent conduct by IEAF Servicios de Análisis S.L.U. The information contained in this report is approved for distribution to professional clients, eligible counterparties and professional advisers, but not for distribution to private individuals or retail clients. Its reproduction, distribution or publication for any purpose without the written authorisation of IEAF Servicios de Análisis S.L.U. is prohibited. The Instituto Español de Analistas Financieros and/or its subsidiary IEAF Servicios de Análisis S.L.U., their employees and directors, may hold a position (long or short) in an investment knowing that this issuer will be the object of analysis and that this analysis will be distributed to institutional investors. Any further information regarding the contents of this report will be provided upon request. IEAF Servicios de Análisis S.L.U. intends to publish (at least) one quarterly report or note updating the information on the company analysed.

United States. IEAF Servicios de Análisis S.L.U. is not registered in the United States and, consequently, is not subject to the regulations of that country governing the preparation of research and the independence of analysts. This report is distributed solely to major US institutional investors, in reliance on the exemption from registration provided by Rule 15a-6 of the US Securities Exchange Act of 1934, as amended (the "Exchange Act"), and interpretations of this made by the US Securities Exchange Commission.

Major US Institutional Investors. This report will be distributed to "major US institutional investors", as defined by Rule 15a-6 of the US Securities Exchange Commission and of the US Securities Exchange Act of 1934.
