

Cash Membership Onboarding Process

As the reference market for Spanish securities, **BME Exchange offers the spread quality metrics and best book depth.** Become a trading participant to enjoy direct access to trading on a robust and solid infrastructure!

Formal requirements include an application form, contracts as per Circular in force, and the relevant Power of Attorney or List of Authorised Signatories, as well as being a member of our CCP BME Clearing.

Connection to the Market will be established with our Market Access team, **without the need of having a local office in Spain.**

Once the post-trade connections are set up, the **system will be tested** and the go-live date will be jointly determined.

No initial onboarding fee and an annual maintenance fee of 3.600€ + 0.12 bps of total cash value traded (taken as the sum of sales and purchases).¹

Connectivity and Market Access Fees depend on the member chosen structure, capacity, connection, etc.²

Exceptional Quality metrics which you can leverage on for **Best Execution** practices.

Achieve **execution, speed and security** trading directly on our system.

Our team will guide you through the onboarding process, which can be achieved in **just four steps.**

¹ As per Stock Exchange Fees (Section 6).

² As per Sociedad de Bolsas Fees.
