All fees shall be monthly invoiced unless the contrary is expressly stated.

These fees are non-discriminatory, correspond to accepted business practices and under no circumstances have been established taking into consideration relationships with companies with whom BME RS may have close links.

1 Transaction reporting to the Approved Reporting Mechanism (ARM)

The reporting of transactions to the Approved Reporting Mechanism will be invoiced on the basis of the number of monthly transactions reported to the service per legal entity identifier (LEI), according to the following tranches:

BME ARM	
No. of transactions	Monthly fee
Up to 3,000	621.86 EUR
3,001 to 15,000	805.72 EUR
From 15,001	994.98 EUR

Each of these tranches will be applied on a non-cumulative basis.

2 Reporting to CNMV of transactions executed on BME's regulated markets and multilateral trading facilities (STR)

Applicable fees for STR will be invoiced on the basis of the number of monthly transactions reported by each market member, according to the following scheme:

- EUR 0.01 per reported transaction, deemed to be those each of the transactions executed on any of the BME's regulated markets and multilateral trading facilities as well as the subsequent allocations to clients.
- EUR 0.02 per transaction reported after the trading day immediately following the date on which the trade is executed.
- EUR 0.02 per transaction contained in special extractions related with the STR transaction reporting services.
- Minimum fees per month: EUR 550 for Equities, EUR 500 for Derivatives, and EUR 275 for Fixed Income.

3 Submission of trade reports to the Approved Publication Arrangement (APA BME)

The submission of trade reports to the Approved Publication Arrangement will be invoiced on the basis of the number of monthly trade reports sent to the service per legal entity identifier (LEI), according to the following tranches:

BME APA	
No. of transactions	Monthly fee
Up to 3,000	621.86 EUR
3,001 to 15,000	805.72 EUR
